MEDICAL COLLEGE PRAGUE

INVITATION

ERASMUS+ STAFF & STUDENT WEEK

2nd International Week

AI and Digital Skills

26–28 January 2027 · Prague, Czechia

Dear colleagues and students,

We invite you to join us at Medical College Prague to explore how we can use AI responsibly in healthcare education. Bring a teaching example or a project idea from your institution. You will have time to present it, find a partner and plan a first activity together.

26 TUE

VLTAVSKÁ 14

Ask what we can trust in AI for healthcare teaching, then try a sample classroom task from our healthcare management programme.

27 WED

VLTAVSKÁ 14 · DUŠKOVA 7

Meet the ONKOFIT physiotherapy team and join a hands-on AI workshop. After a walk through Smíchov, share your work and design an Erasmus+ project or COIL activity. Dinner at 19:00.

28 THU

BOHNICE

Explore simulation in mental healthcare, present your team's plans and join a guided walk through Prague after lunch.

PARTICIPATION FEE

€80

Two lunches, refreshments and Wednesday's networking dinner
